

Joshua's Camp

Joshua's camp is a place where your 5-12 year old can come and have tons of fun learning and exploring. It is a God bible based camp where morals will be taught as well as leadership skills. Your children will learn about sharing with and respecting others.

Joshua's Camp Counselors have a combined education experience of fifty years. Each counselor has First Aid, Back Ground Check and CPR Certification.

Activities

Everyday will start out with devotion.

Mondays we will be on site. This is the time to get to know one another. Children will make name tags to be used for the week and introduce themselves.

While on site your children will: do face painting, crafts, have water play, play games, watch movies, learn learning about plants and how they grow, plus other fun and exciting activities.

We will be taking the children from the camp at least three to four days per week. Activities will include bowling, swimming, movies, hiking, museums, farmers market, etc.

We will provide breakfast, lunch and a snack. Children may also bring lunch and snacks from home. We ask that you provide each child with a water bottle.

It will be hot most days and we want to keep the children hydrated. You may send juice boxes and water. We will provide drinks for them as well.

There will be a few snacks and drinks for your children to purchase.

Each week of camp will run Monday-Friday (8am until 5:30pm)

We understand that there is a need for working parents to bring their children in a little earlier. We will accommodate if given prior notice.

The cost of camp is \$400 per week.

There is a \$30 non-refundable application fee.

Fees for Joshua's Camp are to be turned in at the time of application along with the medical form and immunization record form. Forms can be located below.

Partial weeks are not available. If your child must miss a day of camp the amount of payment does not change. However, a discount will be given for the 4th of July week because we will not be operating on the 4th. Participants may not continue the program if any outstanding balances remain.

No refunds are given for days missed due to vacation, sickness or inclement weather.

Payment is remuneration for a weekly space in the program and cannot be prorated or divided into a per day cost.

Cancellation – A written notice of cancellation or discontinuance of the program is required two weeks in advance. The registration fee is non-refundable.

Refunds – Refunds are not granted for illness, vacation or when the program day is canceled due to inclement weather.

There will be ten weeks of camp. Please choose the week(s) that your child will be coming.
